

The background of the slide is a photograph of a swimming pool with clear, rippling blue water. A bright pink inflatable ring is partially visible on the left side of the frame. The text is overlaid on this background.

Summer Safety Tips

Heat Kills/Pool Safety

- **Never leave children in a parked vehicle for any length of time.**
- **Lock your car whenever it is parked, even when it is in the driveway or the garage.**
- **Leaving a child in a parked car is a crime. Call 9-1-1 to report children who are left in a parked vehicle.**
- **If you have a swimming pool, make sure that all barriers such as gate doors and doors that lead to the outside (including doggie doors) are locked and secured.**

Summer Safety Tips

Heat Kills/Pool Safety

- **Never leave toys in the pool or near the pool area when they are not being used.**
- **If a child is missing, check the pool first, and next check your vehicles.**
- **Make sure matches and lighters are locked in a safe place.**
- **Drink plenty of fluids during the summer.**
- **Wear sunscreen if outside.**
- **When cooking with a barbecue, keep it at least 10 feet from any building.**
